

manifesto 2022

allies digital rights trauma

sage spaces difficult humane ambivalent

radical determined ladylike friendship diverse

oxymoron stubborn anti-capitalist

sexy fun progressive *incomplete*

grief political *sexual* fallible

climate conscious healing solid arguments

uncomfortable breaking norms accomplices

social equity chaotic vulnerable make-up rage

glitches consent single protest

dynamic *fluid* intersectional inclusive

theory+practice loud empathy pro-feminist

accessiblity community care convincing

positioning progressive inspiring decolonial

consequences anti-krypto data security

anti-discrimination non-binary anti-nft

This work is a reinterpretation of the 1997 manofesto “100 Anti-theses” by the cyberfeminist collective Old Boys Network. The word col-

lection was created in a workshop in July 2022.
